Hi Penny - we should be able to figure it out, but my assistant (who is our guru on stuff like this) is out of the office today. Can you email it to me so that I can forward it to San Francisco just in case we aren't able to get it connected for the video? At least that way they'll have a copy they can follow.

Thanks!

Steven

Hi Stephen, we have a power point and I wanted to check and make sure you're set up to show for the San Francisco group. I'll bring a flash drive. Thanks, Penny
